Re: APPLICATION FOR PUBLIC HEARING.

Middle Hosston "B" Zone, VIXEN FIELD,
Caldwell Parish, Louisiana.

Dear Sir:

ENSIGHT ENERGY MANAGEMENT, L.L.C. ("Applicant"), hereby respectfully applies for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Middle Hosston "B" Zone in the Vixen Field, Caldwell Parish, Louisiana.

1. To authorize Applicant to complete, designate and utilize its Devon-Donner No. 2 Well as a substitute unit well for MH "B" SUC, said well and unit being shown on an attached plat, in exception to the well location provisions of Office of Conservation Order No. 139-F, effective September 1, 1961.

2. To find that designation and use of the Devon-Donner No. 2 Well as a substitute unit well for MH "B" SUC is necessary to efficiently and economically drain a portion of the Middle Hosston "B" Zone underlying MH "B" SUC which cannot be efficiently and economically drained by any existing well within the unit.

3. To designate Applicant as Operator of MH "B" SUC.

4. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Middle Hosston "B" Zone in the Vixen Field, Caldwell Parish, Louisiana, was defined in Office of Conservation Order No. 139-F, effective September 1, 1961.
